John Willey shares insights into life in a Maine boatyard, where he worked and kept a journal from 1978 to '79. As the historian John Gardner confirms, until relatively recently boatbuilding was not recorded - the life of the yard crew even less so. Here is a rare and vibrant narrative from a winter apprentice.

Books will be available for sale and light refreshments will be served. For more information, call (207) 495-3508.
